Make your local school's Digital Wish come true

Digital Wish empowers you to make a personal investment in the community where you live and work. Make a donation and help put technology into your child's classroom today!

Donate Now!

1) Grant a wish! Use the class locator to make an online donation of technology from your favorite teacher's *wish list*. Giving is made simple by online credit card transaction at www.digitalwish.org.

OR

2) Donate Cash to help a teacher fund a *wish list* item. Every dollar helps to put technology in the classroom.

Invest in your community and support your school.
