

Businesses - Support Your Local Schools!

Digital Wish Administers Funds For Corporations - No Fees

Digital Wish will set up employee matching fund programs for any corporation wanting to support technology programs at local schools. There are no administrative fees!

Ways to Give:

- 1) Make an online donation** to your favorite teacher, school or school district!
- 2) Run a small grants giving program** for your local schools.
- 3) Purchase a wish list item** for any classroom.

***Digital Wish* always gives an additional 2%-10% back in matching funding, so every donation works harder!**

Help Contribute to Your Future Workforce!
