

Tips on Enhancing Your Profile to Attract Donors

A detailed profile will really help you to attract donors. Tell a great story and help donors gain a better understanding of your needs.

Here are a few tips to help you “spice up” your profile!

Edit Your Profile: Click the “Settings” tab at the top. Display 10 or more wish list items.

Go Shopping : Make lots of technology wishes. Explain why you need each item, and describe how it will be used.

Add a Picture: Describe why you love teaching. Be enthusiastic! Donors like to hear a great story. They want to know their donation makes a difference!

Add Lesson Plans: Visit the lesson plan library, find good ideas, and “Add this plan to my account”.

Add Friends: Visit “class locator” and search for your friends. Add friends.

Put your best foot forward!
